SELECTMEN'S REPORT

To the Citizens and Taxpayers of Gilford:

We present the annual report of the Selectmen, Treasurer, Town Clerk, Collector of Taxes, Trustees of Trust Funds, Trustees of the Public Library, other officers and committees and the annual report of the School Board, for the fiscal year ending January 31, 1936.

At the special town meeting held June 29th, 1935, \$8,500 was appropriated to take advantage of legislative special appropriation made by State for equipment and materials entering into construction of road to the ski jump, this money and \$16,500 contributed by State, to be expended under direction of the State Highway Department. Labor cost is furnished by Federal Government.

Under the system in use by the State Highway Department, 30 per cent. of our appropriation was payable to the State, within 30 days after start of operation and balance upon completion. This 30 per cent. or \$2,550 has been paid from unexpended balances of other appropriations and no additional funds have been borrowed for this purpose.

The balance, \$5,950, will probably become payable late in the present year. As there are no notes outstanding on this account and no funds due the State at this time, it will not be necessary to take any action on the matter this year. Neither will any part of the cost enter into taxes levied in 1936.

The relief situation is getting to be a serious one, particularly as regards the aged and those physically unable to work.

State funds for reimbursement gave out in October and no more available for this purpose until July next.

In the meantime the town is compelled to carry the full load and during the months when the load is heaviest, consequently our appropriation was overdrawn heavily.

We recommend the following appropriations:

Current maintenance	\$3,000 00
Old Home Day	100 00
Memorial Day	50 00
Highways and bridges	10,000 00
State aid, class V, assistance	461 12
Aid to town poor	3,500 00

Respectfully submitted,

ARTHUR H. LORD,

CLARENCE V. HENDERSON,

BERT F. SWAIN,

Selectmen.

REPORT OF GILFORD PUBLIC LIBRARY

To the Citizens of Gilford:

The undersigned trustees of Gilford Public Library, respectfully submit the following reports for the year ending January 31, 1936.

We organized the first of the year with Teresa M. Weeks, Chairman, Helene S. Watson, Treasurer and Florence E. Gove, Secretary.

We regret to report the loss of one trustee, Florence E. Gove who died May 30, 1935. During her short term as trustee Mrs. Gove was always ready and willing to do all she could for the benefit of the library.

In her place the Selectmen appointed Mrs. Helen D. Watson.

The library has been cleaned, the floor waxed, a toilet installed in the basement and a lavatory upstairs.

Books added to the library consist of fiction and non fiction suited to the different ages and tastes of the readers.

As you will notice in the treasurer's report there is a balance of \$57.19. This is to be used to paint the library, to build magazine racks in the reading room and cupboards in the basement to hold old and valuable books.

Gifts have been received from friends as shown by the following.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Gilford:

I herewith submit my seventeenth annual report as superintendent of your schools.

ROLL OF HONOR

The Village School has the distinction of being the only school with pupils who made perfect records in attendance during the school year ending June 30, 1935.

They were Carleton Andrews, Louise Ellsworth, James Hughes.

For two years in succession James Hughes has had a perfect record.

CLOSING EXERCISES

Certificates of graduation were presented to four eighth grade pupils at the closing exercises for all the schools which were held at the Town Hall on the evening of June 14, 1935. The program presented at that time was contributed by children from all the schools and was under the direction of the teachers. The following were the graduates:

Intervale—George M. Sawyer; Village—Leander Fleck, Dwight D. Dow, Arthur L. Drouin.

This entire group entered Laconia High School in September.

TEACHERS AND ENROLLMENT

There have been no changes in our teaching force within the year. The following table shows the teacher assignment, salaries, and present enrollment in each school:

Teacher	School	Salary	Enrollment
Anna R. Furey	Village	\$850 00	23
Eunice L. Hunt	Lily Pond	850 00	18
Lillian Milotte	Intervale	850 00	23

Our total enrollment is 64, practically the same as a year ago. Seventy-five Gilford children are enrolled in the Laconia public schools. Of this total 24 are in grades I to VI, 13 in the Junior High school, and 38 in the Senior high school.

SCHOOL NURSE

It was found necessary to rearrange some of the territory covered by school nurses, and Miss Ruth Langille, who has Alton, Farmington, Gilmanton and some other neighboring school districts, was assigned in September to Gilford, replacing Miss Ruth Whitcomb. Miss Langille reports that she has made "a hasty survey of the work to be done in an effort to ascertain as quickly as possible the health needs and to plan a program which would fill these needs."

Miss Langille has examined 66 pupils, finding 86 defects of which 9 have been corrected. Nineteen children were found without defects. The physical defects noted were as follows: Underweight, 9; vision, 7; hearing, 2; teeth, 37; tonsils, 24; adenoids, 3; speech, 2; cardiac, 2.

She points out the need of available clinics to enable parents to get rates low enough to afford the correction

of some of these defects, and expresses hope that at least some of the necessary corrective work can be done this year. Miss Langille thanks the teachers and parents for their cooperation in helping her get acquainted with the work in Gilford.

CONSOLIDATION

The committee appointed at the school meeting last March to act jointly with the School Board in studying the need and the desirability of a central school at the Village, gave this problem considerable attention. The failure of the committee to reach a unanimous agreement and the uncertainty of receiving Federal Aid probably influenced the voters at a special meeting to reject the proposal that such a school be built.

The congestion at the Village School was relieved in September by transferring some of the pupils to the Intervale School and others to the Laconia Schools.

I believe this question of consolidation should be given further thought and some action along this line be taken. If such a building is not to be constructed a considerable expenditure must soon be made to make the buildings now in use adequate for the needs of such a community as Gilford.

The continued cooperation which I have received from the School Board and teachers is sincerely appreciated.

Respectfully submitted,
CHANNING T. SANBORN,
Superintendent.
